**Talk More Pay Less Plan**

Most long distance companies charge one flat rate whether you talk one minute or 1000 minutes, and they may charge a monthly fee. With the Talk More Pay Less Plan the more you talk, the less you pay! And, there's no monthly fee. The Talk More Pay Less Plan bills in six second increments, no rounding up to the next minute.

**5 ¢ Weekend Plan**

The 5¢ Weekend Plan is offered to accommodate our customers that communicate more frequently than the average long distance user. Weekend rate of 5 cents per minute is effective midnight Friday through midnight Sunday. Standard rate of 9 cents per minute is applicable all other times. A monthly fee of \$4.95 will apply. Rates will round up to the nearest minute.

**800/888 Numbers**

For home or business, our 800/888 toll service offers convenient calling for kids or clients. Our 15 cents per minute rate is simply great!

**International Calls**

Will be billed through Bright Long Distance.

*When you switch to KTC Long Distance, you'll enjoy better rates and the satisfaction of doing business with local people you know and trust.*
